

MOHAMMED NIHAL M

Robotics Engineer | Embedded Systems Enthusiast | STEM Trainer

Kerala, India | +91 8075097435 | mohammednihalm@gmail.com

SKILLS

- Arduino Programming
- Embedded Systems
- (C/C++)
- Fusion 360 & SolidWorks
- 3D Printing (FDM/SLA)
- IoT & Automation
- Python Programming
- PCB Design
- ROS & Computer Vision

LANGUAGES

- English
- Malayalam

LINKS

PROFESSIONAL SUMMARY

Passionate Robotics Engineer and Embedded Systems enthusiast with hands-on experience in robotics development, embedded electronics, 3D printing, CAD modeling, and STEM education. Experienced in designing intelligent hardware systems, rapid prototyping, and mentoring students through practical robotics workshops.

EDUCATION

Technical Higher Secondary School Perinthalmanna 2024 - 2026
Electronics Science

EXPERIENCE

Technical Intern - PiBots Robotics Pvt. Ltd. Apr 2026 - Present

- Designed and tested robotics systems and automation projects.
- Worked on embedded hardware integration and rapid prototyping.
- Supported STEM workshops and robotics training sessions.

Technical Support Assistant - PROJECT-X Aug 2024 - Oct 2024

- Assisted students during electronics and robotics workshops.
- Provided troubleshooting support for embedded systems projects.
- Supported practical STEM learning activities.

FEATURED PROJECTS

- AI-Powered Smart Wheelchair
- Prosthetic Robotic Hand
- Smart Home Automation System
- Embedded Monitoring & IoT Systems

AWARDS & ACHIEVEMENTS

- 1st Place - Project Expo
- 1st Place - Shark Tank Pitch Competition
- 2nd Place - Robo Race
- 1st Place - Science Fair

CERTIFICATIONS

- Google Technical Course Certification
- IBM Technical Certification
- Robotics & AI Workshop Certification
